WINTER FUN

Dear Mayfair,

I can't be the only person who gets fed up of Christmas in this country – the overbearing festivities and revellers' drunken celebrations, always exaggerated because they feel they have to extra-jolly at that time of the year.

So last year I went to Spain for a fortnight, staying in a little hotel off the beaten track. It was a quiet place, owned by an older couple, and was absolutely perfect for the relaxed break I had in mind. The owners' 20-year-old daughter, Adelina, worked as barmaid-cum-waitress

**ONCE SHE'D
RELAXED SHE WAS
HAPPY TO SPREAD
HER LEGS AND LET
ME DO MY THING**

and as I wasn't exactly spoilt for choice where possible shags were concerned, I decided to try my luck.

It took a couple of days to get to know her, but eventually my outrageous flirting and continuous attempts to make her laugh worked and we ended up sleeping together.

Her looks were typical Spanish – dark hair and eyes and, when I saw her naked, her bush was right out of 1970s porn, even though she hadn't been born in that decade. Fucking her while it was in its full glory was pretty sexy – I loved feeling her up all over, everywhere but her snatch, then when I knew she'd be nice and moist, dipping my head down for a sniff and a lick. Her pubes seemed to soak up her scent, making it stronger and sexier.

However, I'm used to fucking women with nothing thicker than a couple of tramlines and a triangle (and admit to that being my sexual preference), so I decided to talk Adelina into letting me shave her. She said no way at first but I'm sneaky.

As I was staying for the whole of Christmas, I bought her a pink bikini as a present. She definitely had the figure for it and looked stunning but, as I delicately

pointed out, her pubes were escaping from the sides of it. She saw my point,

and the next day – her day off – she came to my room, after telling her folks

she'd be out with friends for the rest of the day and not to wait up, the cheeky minx!

We locked ourselves inside, getting merrily pissed on a bottle of Spanish brandy Adelina had liberated from the bar. She was a bit nervy about getting shaved as she'd never done it before, and scared we'd get caught at it. Once she'd relaxed, though, she was quite happy to spread her legs and let me do my thing.

Being completely presumptuous, I'd bought a big can of shaving foam and half the razors in the village chemists, in anticipation. I started by ruffling her bush with my fingers, separating her curly black hairs as I worked massive blobs of the foam into it. She loved how it frothed up, and I couldn't wait to see her face when she saw the finished result. I bought her a little mirror to hold so she could see her snatch better, and she got all excited when she watched me whisk the first lot of hair from her mound.

I had to keep running the razor under the tap to keep it clean, and I've never done such a smooth shave in my life

VERY ADMIR(AB)AL!

Dear Mayfair,

I've been a massive fan of Spencer Scott ever since she first appeared in your magazine two or three years ago, but that latest photoshoot you featured of her in your last issue completely blew me away! I worked for a bit in the Merchant Navy donkey's years ago, and if a vision of loveliness like Spencer ever appeared on our ship, I think we'd have all tripped over our tongues in the rush to get near her. That perfectly peachy bum of hers poking through the split crotch in her panties has got to be the most mouthwatering thing I've ever seen, and as for her perfectly shaven pussy... well, take it from me, that definitely got more than a fleeting glance! Hats off for a perfect set of pictures – and a magazine that just seems to get better and better with time!

Alan, Eastbourne.

TYE'S TREAT!

Dear *Mayfair*,

Great to see that while in most walks of life you get less and less for your money, *Mayfair* have decided to give us more girls per issue – and what a cracking bunch they were this month! Centrespread Amy was truly spectacular, but I have to say that in my opinion you probably opened with your strongest suit with those wonderful pictures of the flawless Sammi. Just that dreamy look on her face alone is enough to

get a bloke standing to attention, but when you combine it with her wondrous body (not least the perfectly formed arse, shown off to perfection on page 13) then she really is the complete package! No wonder your Ed's so obsessed with her – he's not the only one. Lets hope 2016 brings us plenty more chances to appreciate Sammi's generous charms! Keith, Leicester.

– not even on myself. I was pleasantly surprised at just how much paler her skin was underneath her dark thatch and couldn't control the enlarging of my dick as I revealed her puffy fanny lips. Halfway through, I told her not to look again until I was finished and she agreed, saying that she was too busy staring at my naked cock bobbing around, anyway!

"Ta-da!" I sang triumphantly as I wiped the last flecks of foam off gently and showed her my handiwork. She said she couldn't get over how cute her pussy looked, and when I grabbed her hand and trailed her fingers over her soft, bald skin, she told me that loved the feel of it even more.

Of course, I couldn't wait to fuck her, but she decided to thank me by getting me to full hardness with a blow-job. And who was I to reject a lady's thank-you? I settled back on the bed as Adelina crawled up my legs, reaching my rigid tool and

Finally, she gave up and wrapped both hands around the base of my cock and wanked them up and down my shaft as her mouth enveloped my tip, sucking hard. As I closed my eyes, she matched her lips to her hand rhythm while still sucking away, which made me gasp with pleasure. Just as I was getting used to it, Adelina swallowed my entire length causing it to hit the back of her throat and make her gag. But instead of pulling away, Adelina kept going, deepthroating my willing member for all she was worth.

I couldn't wait any longer – I just had to be inside her – and seeing my prick slide into that smooth, pale hole, the juices streaming out with nothing to soak them up, almost had me coming before the first thrust.

Luckily I pulled myself together, and enjoyed how much more sensitive Adelina had become – how she gasped as my own thick crotch hairs scratched against her sensitively tingling skin and moaned as my pendulous ballbag slapped against her arsehole.

Of course, when I finally reached the point of no return, I couldn't resist pulling out and rubbing my juice-sodden helmet against her clit, making her climax just as I splashed my thick white man-juice all over her newly bare pussy – something we both enjoyed the sight of immensely.

Adelina and I had so much fun in that two-week period that I almost didn't want to come home. But it definitely changed my 'bah-humbug' opinion of the Christmas season and made me realise that, in future, my happy Christmases will be filled with festive fucking! Which is why, this December, I'm taking myself off to Germany – I've heard that frauleins are frickin' filthy!

Brendon, Maldon.

"AS I CLOSED MY EYES, SHE MATCHED HER LIPS TO HER HAND RHYTHM WHILE STILL SUCKING AWAY, WHICH MADE ME GASP WITH PLEASURE..."

cleverly taking it into her mouth without using her hands. I had never had a hands-free blowie and I was in heaven – especially when she began massaging my balls with her plentiful norks.

What a fitting way to get the mighty *Mayfair* ball rolling for 2017, don't you think? A sizzling new set of pictures of the tastiest Welsh dish since, er, cawl (had to look that up, I'm afraid!). So has Emma got any special plans for the new year, we wondered...?

"No, nothing special, I don't think. I've been having so much fun since I started appearing in *Mayfair* that I just want to carry on, really – keeping my fans happy and making sure I've got a bit of special 'Me time' as well now and again."

Sounds good to us. And if you ever fancy sharing a bit of that 'Me time', do feel free to give us a bell, won't you?

A man and a woman were celebrating their 50th anniversary. They were talking before their dinner about how they should celebrate their big evening. The woman decided she would cook a big dinner for her husband. Then he said they should do

Two friends went to a strip club. When they got inside they noticed two seats conspicuously unoccupied in the front row. Seizing the opportunity, they took the seats. As soon as the first dancer walked out, the guy directly behind them yelled, "Yeah baby!

That's what I've been waiting for!"

One of the friends in the front row turned around and gave him a dirty look. A few minutes into the show, the dancer did a move and snatched off her top, revealing two tassels. The guy behind our friend goes off again. "Yeah baby! Shake those things."

The other friend turned around and said, "Hey, calm down!"

After a few moments, the dancer did another move, and snatched off her dress, revealing a very thin G-string. Again the man behind our friend yelled out, "Oh baby! You're almost there!"

The other friend again turned around and said, "For christ's sake, shut up!"

A few minutes

later, the dancer stretched out on the floor and snatched off both the tassels and the G-string, and the whole club went wild, except for the man behind our friend. Curious, the other friend turned around and asked, "Where's your enthusiasm now?"

The guy responded, "It's all over your back, mate."

A Mother had three virgin daughters. They were all getting married within a short time period. Because Mum was a bit worried about how their sex life would get started, she made them all promise to send a postcard from the honeymoon with a few words on how marital sex felt.

The first girl sent a card two days after the wedding. The card said nothing but "Nescafe." Mom was puzzled at first, but then went to the kitchen and got out the Nescafe jar. It said: "Good till the last drop." Mum blushed, but was pleased for her daughter.

The second girl sent a card a week after the wedding, and the card read: "Benson & Hedges". Mom now knew to go straight to her husband's cigarettes, and she read from the Benson & Hedges pack: "Extra Long King Size." She was again slightly embarrassed but still happy for her daughter.

The third girl left for her honeymoon. Mum waited for a week, nothing. Another week went by and still nothing. Then after a whole month, a card finally arrived. Written on it with shaky handwriting were the words: "British Airways".

Mum took out her latest Harper's Bazaar magazine, flipped through the pages fearing the worst, and finally found the ad for the airline. The ad said: "Three times a day, seven days a week, both ways."

M

One morning a couple were in an amorous embrace and the wife says: "Honey, that Viagra is so wonderful, let me fix us a nice full breakfast... eggs, bacon, toast..."

The husband says: "No, I'm not hungry, the viagra has killed my appetite."

Later in the day, the wife says: "Sweetheart, I want to do something for you, let me fix you a nice wholesome lunch, fresh salad with your favourite ingredients, steamed veggies, and some grilled fish fillets..."

The husband again refuses, "I'm just not hungry after using that viagra."

At dinner time, the wife tries again, "Are you hungry yet? I'll fix a steak and potatoes dinner with hot rolls."

The husband again refuses: "No, I'm still not hungry."

The wife then firmly says, "Well, I am, so get OFF me!"

M

Little Johnny goes to school, and the teacher says, "Today we are going to learn multi-syllable words, class. Does anybody have an example of a multi-syllable word?" Johnny says "Mas-ter-bate." Ms Hall smiles and says, "Wow, little Johnny, that's a mouthful." Little Billy says, "No, Miss Hall, you're thinking of a blow-job."

BOY: Give me a blow-job.

GIRL: Can you be more romantic?

BOY: Fine, give me a blow-job in the rain.

what they did on their wedding night and eat at the dinner table naked. The woman agreed.

Later that night at the table, the woman says, "Honey, my nipples are just as hot for you as they were fifty years ago."

The husband replies, "That's because they're dangling in your soup."

Yorkshire might not have quite managed to bag the County Championship this year, but they'll always be champions in our book – on account of having produced the lovely Amy Green! Not that folk from Yorkshire need bigging up all that often – they're usually more than happy to do it themselves. Still, when they look anything like Amy here, it's pretty hard not to sometimes!

CHARLEY

Age: 27 Vital Stats: 34GG-25-34 5'7"

Photographer: BB Media

We know we've got an embarrassment of riches when it comes to the bevy of British beauties on our books to feature in the magazine each month, but have we really got so many that it's been getting on for a year since we last hooked up with Charley Atwell in all her curvy loveliness? Surely not! Perhaps, once he's got round to publishing the long-anticipated results his other enquiry, Sir John Chilcott might like to look into what we've been playing at. Who knows, he might even give us an answer by the time we're into our 100th volume... Ahem anyway, whatever the cause of this shocking oversight, Charley's back with us this month, and let's face it, if something (or someone) is worth having, then it's worth waiting for as well!

"Ah, well I'm definitely worth having!" Charley laughs at this. "At least I certainly haven't had any complaints so far!"

We can well believe it!

QUEST...

Reckon it's high time we had a trio of confessions from some of our lady readers? Well so do we - and here they are!

I was never into acting at school or college, but when I hit my 20s, I inexplicably got the bug. I spotted an ad for a local am-dram society that was putting on a play and, despite never having been on stage before, I really fancied having a go at it. I ended up getting the part, much to my surprise, and I reckon that had a lot to do with my svelte but

in life! - but the first night went down a storm and I was ever so slightly chuffed with my first go at acting.

It was decided that I would take my curtain calls completely naked - Felix really wanted to milk the nudity for all it was worth. And afterwards, we all gathered in the big, communal dressing room for some champagne to celebrate our opening night. Knowing everyone had already seen me in the altogether, I just sat around in a robe instead of getting dressed right away. I hadn't eaten since lunchtime - through nerves, and worries about looking bloated onstage - so a few glasses gave me a right buzz!

Felix kept catching my eye, and I couldn't help flirting with him, flashing my tits like I was joking, but looking deep into his eyes all the while. After a while of this flirtation, I announced that I'd lost an earring on the stage and I'd better look for it. I'd have been very surprised if he hadn't followed me, and as we fell into each other's arms, we ended up snogging. He seemed to like me being a diva - I was the only one of the group who stood up to him

- so when I clicked my fingers and pointed down, he dropped to his knees and started to lick me.

I was meant to look as perfect as possible naked, so I'd had a wax to shape my pubes. He tongued along the edges and ruffled the short hairs that were left, then spread my lips with his thumbs and started to lap along

my slit. We didn't know who might come wandering out into the auditorium, but that danger merely added to the excitement. As his tongue probed my cunt and his fingers rubbed my clit, I started to come, juicing into his mouth. Although he swallowed down a load of it, he was wet and sticky all around his lips and I licked him clean as we shared another kiss. Then someone shouted for him,

"I FINGERED OUT SOME JUICES AND SMEARED THEM ON HIS COCK, LETTING HIM FUCK MY HAND."

and he walked out, telling me to follow in a few minutes.

He obviously saw this as a sneaking-around thing - not surprising as he supposedly had a girlfriend. So I decided to stir things up and see if I could make him jealous.

One of the stagehands, Gary, was cute but down-to-earth. He did a lot of gophering and flirted with me, but in a way that told me he didn't think he was seriously in with a chance. But I left with him after the show the following night, making sure Felix knew about it.

I knew I was using Gary, but I made it very clear to him that this was just a bit of fun. He had a nice body on him - shorter and stockier than Felix, but he had one of the thickest, most rigid cocks I've felt in my life.

He was a really good kisser, too. We lay there for ages just kissing, with my untouched pussy oozing. Then I fingered out some juices and smeared them on his cock, letting him fuck in and out of my clenched hand. I thought he'd climax really quickly but he said he could hold back as long as it takes, and that he wanted to spunk inside me.

The thought of that sent a warm twinge through my cunt and I rolled back, spreading myself wide for him. He knelt there for a few seconds then I reached down, pulling my lips open to show him the inside of my pink. Then he sunk inside, pumping and circling his dick around as I frigged my own clit.

I won't say he was the best fuck I'd ever had in my life, but it was fun. It felt like all his strength was focused in his prick and his body was so hot where it touched mine.

For all he'd said about holding back, he was struggling. He'd moan like he was in pain, clenching all over as he tried to check himself, sweat beading on his forehead. Finally, feeling a bit sorry for him, I asked if he going to come for me.

He braced himself against the bed, hands flat, and humped away, his arse pistoning in between my thighs. I managed to get a hand between us, and let his thrusts mash my fingers up against my clit.

Gary was the first to orgasm, his length pulsing as his balls emptied up my snatch. A

busty figure.

The last scene of the play featured some pretty explicit female nudity and, while it was 'essential to the plot', the director, Felix, knew it would also get a fair bit of publicity. It was all very up its own arse, with lots of strutting around - it's fair to say that I've been blessed with more than my fair share of confidence

couple more clitoris rubs and I orgasmed, with his still-stiff cock still inside me. I heard him groan as my walls tightened around his tender shaft and helmet. I whimpered just as loud as he slipped out, feeling the gush of melted jizz down my crack.

The next night at the theatre, my ears were most definitely burning – there was no doubt that I was the subject of the gossip, but I didn't mind. Having sampled the only two studs worth a go in the drama group (and not being overly impressed by either!), I no longer had any interest in pulling any of my fellow cast members. Nor was I up for a round two with Felix or Gary! The remaining performances went swimmingly and the reviews of our play were so good that I immediately bagged myself a part in another play – with a different director and cast. I have to admit I shagged that director, too, but I couldn't resist! I guess I just have a thing for drama – and fucking the man in charge!

“I TOUCHED THE POINTY TIP OF THE DILDO BACK AGAINST MY ANUS AND SLOWLY PRESSED IT HOME. OH! I WAS NEARLY COMING ALREADY...”

My life's been full of changes and upheavals lately. I ditched my boyfriend of three years, got a new job and moved into new flat that I'm sharing with Maisie, an old school friend. Being single is very liberating but I missed the sex, and so I decided to try something I'd never been into before – a dildo, which in turn led to another revelation of a very different kind!

I've always been quite big on masturbation, even when I was with my boyfriend. I always think about sex when I go to bed, and often end up frigging myself slowly until I come. But since I was in no mood to find another boyfriend I ordered a dildo, and when it arrived I couldn't wait to try it out. I had a shower, then went to my room with just a towel wrapped round me, eager to play with my new toy.

I put a nice CD on and took the plastic cock out of its box, my body feeling all tingly with excitement as I ran my fingers over its length. It was so big and hard, I could hardly wait to feel what it was like inside me. I lay down on the bed, opened the towel, and touched the toy against my pussy lips. I teased my clit a little until I was good and wet, and then eased the toy into my hole.

It felt amazing but – and I really can't explain this! – all I could think about was what it'd feel like up my bum. I'd never had anal sex before, and all I'd had up there before was a boyfriend's sneaky finger, but now, as I drove my new toy in and out of my cunny, my thoughts turned to my arsehole and the small sachet of lube that had come with my new toy.

I had to try it. I withdrew the dildo from my pussy, tore open the sachet and started to rub the silky liquid onto my sensitive puckered bum hole, pushing some just inside me and getting very turned-on while I was about it. When I was sure my anus was good and ready, I lifted my legs up like I do when a guy's really fucking me, pressed the tip of the dildo against my most private hole, and pressed.

Oh fuck! I nearly fainted. But I continued pushing and gradually got the whole thing right up my arse, feeling totally overwhelmed with new sensations.

I immediately wanted to take cock that way, and with a finger to my clit I started giving my arse its first fucking with my new toy.

Wanting to get a better idea of what it's like to be buggered, I withdrew the dildo, turned over and buried my face in my pillows with my botty up in the air. Reaching up behind me I touched the pointy tip of the dildo back against my anus and gently pressed it home. Oh! I was nearly coming already, and I was totally in a world of my own as I began driving it slowly in and out of my tight, peachy bottom.

So absorbed was I in fucking myself and so loud was the music that I didn't hear my bedroom door open and Dan walk in. He must have let himself into the flat and come looking for Maisie, who had gone out.

What a sight met his eyes. My arse up the air with a big plastic cock shoved right up it. I was moaning and groaning too as I fucked myself. God knows what he must have thought!

“Er... oh!” I think I heard him say.

I froze, and I had no idea what to do. I kept my bum in the air with the dildo firmly planted up it and just waited to see what would happen next.

“You should try that with a real cock,” he said, clearly sensing the need to improvise.

“I think you're right,” I said, and watched nervously as he closed the door and unzipped his flies. “Just be gentle,” I pleaded, knowing he was the kind of guy of who'd just ram it up there and ream me. All I could do was shut my eyes and braced myself. I bit the pillow and thought of... well nothing really!

I felt Dan pulling the dildo slowly out of my botty, rotating it as he did so, and my pussy dribbled with my love juice. I think my bum must

have gaped a little when the dildo was out of me, and Dan was quick to replace it with his cock.

“Ahhhh!” I wailed as I felt his bell-end plug my arsehole, but the sound was muffled by the pillows.

Dan shuffled his knees a little, then I felt his hands firmly grip my hips and he grunted as he forced his big hard cock right up my tight little bottom.

The rhythm he found to fuck me was amazing, driving his cock in and out of my arse with long firm strokes – not too fast but very hard and deep, and I started to come.

“Is that good?” Dan gasped through clenched teeth. “Is that good up your fucking arse?”

I reached up and frigged my clitty, which was swollen, hard and

erect, and my pussy started to contract as one almighty orgasm ripped through me. I've never come like that, and a wet patch formed under us on the bed where my cunt had spewed. This was a fuck and a half! Dan could hold on no longer, and for the first time I felt a hard cock squirt its hot load deep inside my tummy. Absolutely amazing! Dan pulled his spent prick out of my anus and gave me a sharp smack on my poor little botty, then just walked out and left like nothing had happened. Conversation never was his strong point, but my God he knows how to fuck a girl in the arse and I certainly know which I'd rather have!

of the fact we'd really like to try going down on another woman – something neither of us had up until then. We would get quite horny when the conversation came around to lesbian sex whenever we'd had a few drinks, but until a few weeks ago I imagined it would just remain a fantasy. How wrong I was!

When my boyfriend announced he was going away for a stag party I jumped at the chance to invite June round to our flat for a girlie night in. We hadn't seen each other for a while and had lots to catch up on. Snuggled up in our nighties under the duvet I pulled onto the sofa, we gossiped for hours over a couple of bottles of wine. We were well on the way to drunkenness when June started describing the wild sex she'd been

Giggling over her glass of red wine, June said: "For God's sake Cassie, we're always talking about this, why don't we just give it a go?" As usual I thought she didn't really mean it and replied jokingly, "Yeah all right then, do your worst you dirty bitch." To say I was shocked when I felt her hand rubbing against my thigh would be an understatement. My heart began to pound when I realised she was serious but I couldn't ignore the rush of excitement that shuddered through my body. I'd wanted to feel the sensation of another woman's skin against my own for so long but couldn't look June in the eye as she gently stroked my bare leg beneath the covers. My body went completely rigid with panic but even though my friend must have noticed this, she carried on regardless.

There had been countless times when June and I had touched in the past, and had even been naked together many times before but suddenly I felt very self-conscious. Desperately trying to relax, I closed my eyes and concentrated on the fantastically erotic feeling that washed over my body. My head spun with the combination of alcohol and sheer lust as June continued gently caressing my inside leg. Her fingers slowly wandered closer and closer towards my dampening pussy and when she reached my panties I gasped, opening my eyes in nervousness. June stared back at me intently and I knew there was no going back as she smiled wickedly. Her hand cupped around my pubic bone and I realised she'd be able to feel my juices oozing through the fabric of my cotton knickers. My clit began pulsating with excitement when she pressed her middle

"I FELT MY OWN FANNY TWITCHING AS I TOOK HOLD OF MY FRIEND'S BUTTOCKS AND PULLED HER TO MY FACE..."

finger against my stiff button and leaned closer to kiss me.

Neither of us knew exactly what we were doing but from that point on the whole thing just became instinctive. June gently pressed her lips against mine and slowly we began a deep kiss that made my legs weak with excitement. For a while I kept my eyes open, watching my friend's beautiful face as she explored my mouth with her tongue. At first I simply couldn't believe I was snogging my best mate. But after a few mind-blowing moments the eroticism of the situation took control. Fuelled with lust, I reached towards June's face and held her head as we kissed deeper and deeper. Then I allowed my hands to wander towards her heaving chest.

Her tits had always been much bigger than mine had and I was desperate to touch them and hold them in my hands. The straps of her satin nightdress slipped from her shoulders revealing her large fleshy boobs and I groped them excitedly, keen to feel them at long last. June moaned in delight as I moved towards her big brown nipples and began squeezing

My friend June and I have often discussed dabbling with girl-on-girl sex but I never actually thought it would happen. We've always been very sexual people and have never made a secret

having with her new bloke. Things quickly deteriorated into filth as we talked about the rude things that turn us on and other naughty things we'd like to try. It came as no surprise when the lesbian topic came up again.

and tweaking them the way I knew she enjoyed. June responded by taking my own pert little tits in her own hands and for a few tantalising minutes we played around with each other's tits. Then I lowered my head towards her soft breasts, kissing the skin and eventually reaching her stiff nipples. I flicked my tongue over the ends and began gently sucking and chewing on them. This sent June wild and she pushed me onto my back, pulled off her nightdress and hitched up my own.

against my face, smothering me in her intoxicating juices. Suddenly I knew she couldn't hold out any longer and I rammed my fingers hard up her bum as she screamed she was coming. "Fucking hell, Cassie!" she shouted unashamedly, and my mouth filled with her cream as her huge orgasm eventually subsided. By this point my cunt was begging for a tonguing and never a girl to be selfish, June obliged as soon as she got her breath back. I was dizzy with lust and lay back as my mate

Clambering on top of my body, she started grinding her shaven fanny against my own, allowing our juices to mingle as she rode around on top of my cunt. Her bald pussy was now soaking wet and I reached between her legs to touch it. Slowly, I slipped my middle finger between her plump lips, nudging against her clit as I found my way into her tight sticky hole. Obviously I'd had years of experience playing with my own pussy but exploring someone else's felt deliciously sluttish. I thrust my finger deep inside her tunnel and wriggled it around until I knew I'd found her g-spot.

June looked so fucking sexy as I lay on my back watching her ride on my hand, her huge tits bouncing up and down. "Lick me Cassie, I want to feel your tongue on my clit..." She begged. I felt my own fanny twitching with anticipation as I took hold of my friend's buttocks and pulled her nearer to my face until she was eventually squatting over my mouth. On her knees, June waited impatiently while I took one last look at her pink, juicy cunt before unleashing my tongue onto her sex.

My nostrils filled with her gorgeous musky scent as I lapped up her sticky juices and moved my tongue inside her slit. First I licked up and down her smooth labia. Then I began working on her swollen clit, building up a steady circular rhythm. I thrust a finger back inside her dripping hole and while I worked on her fanny I eased another finger inside her tight puckered arsehole. June had told me so many times that she adored being fucked up the arse and I knew she'd just love me to stretch her wide so I thrust another finger up her bum. This made her whimper in dirty delight and with both holes filled – not to mention my tongue grinding against her clit – she began to come quickly.

At one point I almost couldn't breathe as she rubbed her fanny

prepared to go down on me.

I opened my legs wide and thrust my hairy pussy towards her face, desperate to feel her tongue in my cunt. She slowly parted my lubricated lips and rubbed the tip of her finger against my clit. I couldn't help the grateful groan that escaped from my mouth when she began working on my hole and June smiled. "I'm dying to taste your pussy. I'm gonna make you come like you've never come before!" She teased and I thought I'd burst at the sheer prospect of it. Then she lowered her head between my legs and pushed her tongue inside my snatch. I can't explain how fucking good it felt to have another woman licking my cunt. Maybe it's because it's so taboo, but I'd never felt so horny in all my life. I reached down and pulled open my pussy lips to allow June better access to my sensitive clit.

At first my button was so wet that she had difficulty keeping her tongue on the right spot but after slurping away at my juices she got it just perfect. I rubbed my nipples hard for an extra kick and when June started chewing on my clit I lost control completely. I clamped my legs around her face and thrust my fanny against her mouth as an enormous orgasm shuddered through my entire body.

When my climax was over June surfaced, her face glistening with my sweet smelling juices, and we collapsed into a final deep kiss. And then, after a short breather, we started all over again! Needless to say, we don't talk about girl-on-girl sex anymore – we just get down to it whenever we can!

Not surprisingly, the delectable Dannii Harwood raised quite a few eyebrows – not to mention trouser fronts! – when she made her *Mayfair* debut back in the autumn, so we thought it only fitting that we invited her back for another shoot before 2017 got too long in the tooth. That way, we'll get a few more chances to drool over – I mean admire – her during the course of the year. See, occasionally the Ed actually does have a half-sensible idea in his head!

ADELE

Age: 28 Vital Stats: 32D-25-33 5'3"
Photographer: BB Media

□□□□□□□□

Pop-pickers will be well aware that Adele's all the rage again at the moment (*Erm, are they still called 'pop-pickers'? – Ed.*), and while we're definitely fans of the North London songstress as much as the next man, sadly she only comes second in our list of favourite Adeles – on account of Adele Taylor here!

"Aw, that's lovely of you to say so!" beams our Adele. "Sadly I don't quite have as many fans as that other Adele just yet, but I'm working on it!"

Well we're sure you'll attract plenty more with these piccies!

TEXT A HORNY MILF TODAY!

Some women just give you the horn. Lots of desperate older women who love sex, get frustrated when they're not getting enough cock. That might include the nurse who took your blood pressure or the cheeky cashier at your local supermarket. The one thing they have in common is you would love to shag the arse off all of 'em.

You might not get the chance to have a go on their bones but you can swap filthy pictures and tell them how much they give you the horn. You know she's gonna fucking love it.

We can hook you up with hundreds of filthy women but be warned, these women are looking for explicit text chat, not just swapping recipes and chats about Eastenders. If you love MILFS just go to: www.lovemilfs.uk

Newbies are always welcome here at *Mayfair* – especially if they're as lovely as Miss Sydney Cole here! And who cares if her name sounds more suited to a British character actor from the 1950s than to a stunning adult model – we wouldn't dream of holding something like that against her! "Well thank goodness for that. I'd like to think you wouldn't hold anything against me!" Ahem, actually we wouldn't mind a little something we've got here...

Hang on a sec – has it really been over two years since we last treated *Mayfair* readers to the sight of Kayla Louise in all her gloriousness? That's what it looks like, according to our (admittedly totally chaotic) records, and if that really is the case we can only apologise – firstly to Kayla herself, and secondly to you lot for making you wait so long. It only goes to show that time really does fly when you're having fun, and, well, working on *Mayfair* probably does involve more than its fair share of that!

JADA

Age: 26 Vital Stats: 32E-29-31 5'5"

Photographer: BB Media

We'd assumed that Jada Cameo must have been a big fan of the 80's funk outfit and took her modelling name in tribute to them, but then it's just occurred to us that she wasn't even born until several years after the mid-80s heyday of Larry Blackmon & co! So what's the story?

"Well, it's sort of related to the band Cameo," she admits, "but only because the nightclub I used to go to when I was younger was named Cameo after the group, I think, and it was there that I popped my cherry one particularly memorable night!"

Ah, well that kind of makes sense. And we bet it was a memorable night for the lucky felly!

"I guess so, although I never saw him again. Happy times!"
